CASE NO.

PUBLIC SERVICE
COMMISSION

RECEIVED

FEB 11 2004

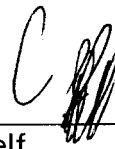

OBJECTION TO ORDER

Hopkinsville Water Environment Authority ("Hopkinsville"), by counsel, respectfully objects to the entry of the order by the Commission dated February 6, 2004 in the above-referenced matter.

The Commission's February 6, 2004 order approves an agreement entered into by and between Hopkinsville and the Christian County Water District ("Christian County") pertaining to various issues, none of which included rates. It has been and continues to be Hopkinsville's position that the Commission does not have jurisdiction over Hopkinsville with regard to any matters other than the rate to be charged by Hopkinsville for wholesale water service to Christian County.

Because the amendments contained in the agreement between Christian County and Hopkinsville dated January 8, 2004, approved by the Commission's February 6, 2004 order do not involve rates, Hopkinsville respectfully submits that the Commission does not have jurisdiction over these matters.

Respectfully submitted, this 9th day of February, 2004.
